HOW TO ORDER

- Our current online portal plays best with **Internet Explorer**.
- Go to www.thelunchlady.ca . ORDER NOW to REGISTER and set up your account, accounts for your students and schedule your meals.
- Use the menu drop down on the order page to find the menu you want.
- Use the scroll bar to move up and down the list of food items. We have lots of choice to look at!
- More than one child? Enter, Save after each child and pay once at the end.
- Pay by MasterCard, Visa, Visa Debit or Interac via a secure 3rd party partner. No credit card information is stored on our site.
- To avoid the 10 minute TIME OUT, SAVE every now and then to avoid losing your order. That would be too frustrating (PS – we are currently working on a new version of our ordering system).
- If you miss the order deadline, call us for assistance.

Have a child with **ALLERGIES, FOOD PREFERENCES?** We are here to help. Contact us first.

SICK CHILD or need to cancel? WE understand. We're parents too! Let us know before 8am and we will give you a credit to use another time. Uncollected lunches are NOT left at school.

Look for **PLASTIC CUTLERY** under "**FIXINGS**" on the order page or send a fork and spoon from home. Many thanks if you can help us reduce the amount of plastic cutlery we deliver.

SNOW DAY POLICY. If the busses are cancelled we still deliver! If your child is staying home please remember to email or call to cancel by 8am.

We love making school lunches and are thrilled to serve your community. Call us if there is anything we can do to assist you and remind your children to look for our "Red Aprons" at school should they ever need our help.
